A photograph of a tropical garden. A light-colored concrete path curves from the foreground towards the background. To the left of the path is a wooden fence, and behind it is a lush green wall covered in various plants and palm trees. To the right of the path is a well-manicured lawn and a garden bed with various tropical plants, including palm trees and agave. The sky is bright and slightly cloudy. The text "The lightness of summer" is overlaid in white on the left side of the image.

A top-down view of a wooden table with several patterned fabrics and pillows. A large green fabric with a dark square grid pattern is draped across the table. A rectangular brown pillow with a small repeating pattern and a triangular brown pillow with a peacock feather pattern are placed on top of the green fabric. In the top right corner, a round beige lamp with a glass base is partially visible. The text 'The elegance of a city home' is overlaid in white on the left side of the image.
